## June's Jazz

Hello everyone. Seems the end of the year is fast approaching. Time flies by when we are on the down side of the mountain.

Progress is being made in our quest for a new center. Rita Grady and her staff

have completed the Project Notification Intake Form, (PNIF), and it has been sent to Ron Foggin (City Manager) to submit to Oregon Business Infrastructure Finance Authority, referred to as IFA. When this is submitted the City will receive an invitation to submit the application or a request for more information. There are a lot of hoops to jump through but I have no doubt we will reach our goal of a new center. There is an actual time line once we get the CDBG grant. Time line to be discussed as soon as we receive the grant, which I think will happen in the near future. WE have worked for more space for a long time, so hang in there. We have some programs coming back after the summer off: the music jam and bingo. Check you calendars for the dates.

## Music Jam Returns

After a respite over the summer the always popular Music Jam returns this month. The fourth Thursday of each month provides an opportunity for musicians and music lovers to get together and "jam" beginning at 6:30.

As always, all area musicians and singers, regardless of age or level of talent are welcome to come and either play or enjoy the show. There is no admission.

## Bingo

Time to find your dabbers and come to bingo on the first Friday in September, the 6<sup>th</sup>. We will be starting our progressive pot with \$50.00 left from last spring. The doors will open at 6.00 and games start at 6.30. We hope you will come join us.

## Trips

### AUGUST TRIP

Have you ever played beanbag baseball? Well, we did when we went out to Ft. Hoskins Park for our annual

picnic in August. And what a great day it was! Time for good food, good friends, and good fun. If you missed it this year, keep on eye on your calendar next year (probably in August) for our next picnic.

**Beanbag baseball winners**

**.....and the other team.**

Thanks to all those people who donated food, prepared food, served the food and did all the cleaning and setting up for the picnic. We have a great bunch of hard workers in the group. It was all appreciated.

### **SEPTEMBER TRIP**

On Thursday, Sept. 19<sup>th</sup>, we will be traveling to the Tillamook area for our trip. The bus will leave the church

parking lot at 9:00 a.m. Please try to be there by 8:50 a.m. so we can count noses. The fee to ride the bus will be \$5. As we leave town we will travel west on Hwy 22 & 18 and then take Hwy 22 to Hebo and on to Tillamook. Our first stop will be at the Latimer Quilt and Textile Center. The fee to the museum is \$2 per person.

We will have a tour of the facility. Nona and I stopped there to make all the arrangements and even though I am not an arts & crafts person, I was so impressed with what I saw in the short time we were there. Now I am anxious to go back and really get a better look at things.

After the museum, we will head east on Hwy 6 to Alice's Country House for lunch where they serve "home cooking." Lunch will be on your own. I have posted a menu on the bulletin board.

After lunch we will continue going east on Hwy. 6 to the Tillamook Forest Center. And what an interesting place that is! Did you realize that after the gigantic forest fire in that area in 1933, there was another big fire 6 years later in 1939? And 6 years after that, in 1945, another big fire. And, again, 6 years later in 1945 another big fire. And believe it or not, in another 6 years in 1951 there was

another fire. That seemed to be the end of the big forest fires in that area. They also show a 15 minute movie about the forest fires and the devastation that was left. There is no set fee at the Center but they suggest a donation of \$5.

If the weather is nice, we may even stop in McMinnville on the way home for an ice cream break. Sign up sheet is posted on the bulletin board. See you on the 19th.

**I was always taught to respect  
my elders,  
but it keeps getting harder to  
find one.**

## **Nominating**

### **Committee**

Our bylaws state that the general membership shall elect three (3) members to the Nominating Committee at our monthly member meeting in September. This Nominating Committee will report nominations for officers and Board of Director positions at our November member meeting. All four of the officer positions and several director positions will be vacant at the end of this year and have to be filled for next year.

If you are interested in serving on the Nominating Committee, be sure to come to this month's general meeting and potluck on Saturday, September 14<sup>th</sup>, to throw your hat in the ring.

## **Thank You**

Thank you hardly seems enough for all the kind thoughts and cards I received in June and July. What a surprise I got when I went to my doctor for a check-up and ended up with a quintuple bypass.

Special thanks go to LeAnn Piering. She stepped in and published the newsletter for two months at, literally, the last minute.

Jerry Wennstrom

Many thanks to Doris Ellis for filing the books while I was camping with family.

Myra Moore

## **Miscellaneous**

I donated a pie for our bake sale in the Civic Center. It was in a red/white Pyrex pie plate. My name is written on it, "MYRA MOORE." For some reason the pie plate hasn't yet been returned. All I know is that the person who bought the pie said, "Sure, I know Myra; I'll bring it in."

Whoever you are, I sincerely hope the pie was good-tasting but will you please bring my pie plate back to the Senior Center kitchen? Many thanks.  
Myra

It has long been our rule that there is a 50¢ donation to help defray the cost of coffee, cups, napkins, etc. Just a reminder - we have no paid janitorial service. So before you leave please be sure you leave the place better than when you came. Thanks.

## Sweetness for the

### Bazaar

The hard working ladies making various projects for the Bazaar would like to remind you when you are making your jams and jellies, please make a couple extra jars for the November Bazaar. Just jams and jellies no other canned goods. Also when you are cleaning out your craft corner or craft room remember we are always looking for good useable yarn, unfinished projects and material.

Thanks Blanche Pryor Chairlady

## In Passing

We recently were saddened by the passing of our dear friend Bonnie Humes. For many, many years she created table decoration for the potlucks with great imagination. She will be missed not only for her talent but for her sweetness and loving ways.
