HOW DID YOU HEAR ABOUT THIS VOLUNTEER OPPORTUNITY?

BACKGROUND INVESTIGATION CONSENT & RELEASE

The Fire Department is committed to protecting the security, safety, and health of its employees and community residents, as well as safeguarding the assets and resources of the organization. To meet these objectives, the Department will conduct background checks as a condition for providing service as a volunteer. Hiring practices associated with background checks are to be conducted in a manner that supports the City's commitment to non-discrimination and non-harassment in hiring practices.

Candidates must give consent to the Fire Department to conduct background investigations referenced in the volunteer firefighter application packet in order to remain under consideration for employment or to provide service. Refusal to consent is grounds for terminating candidacy. Candidates may not appeal a termination of candidacy due to refusal to consent to a background investigation.

I hereby certify that this application contains no misrepresentations or falsifications and that the information given is true and complete to the best of my knowledge and belief. I authorize the Dallas Fire Department to make any necessary and appropriate investigations to verify the information provided in my employment application and to review my personal and professional background, including any criminal records and past employment records. I also release the City and any persons, companies or corporations supplying the above information from all liability pertaining to information concerning my background.
