Reid's Ramblings

What a wonderful Valentine Dance we had on February 13th. There were 55

people who attended. The band was great and everyone had a good time dancing and listening to the music. Now everyone wants a dance

often, which is good.

Springtime is just around the corner. The spring flowers are starting to bloom, what a wonderful time of the year. We are having a soup and pie sale in March. If you would like to donate a pie or cook some soup, please let June or Blanche know; we need donations to make this sale successful. (See article on page 2.)

TRIPS

February Trip

It was a beautiful day for a ride to Salem to have lunch at Red Robin Restaurant. After lunch we went to Willamette Heritage Center where we opted for a guided tour of Mission Mill. It started out with a short movie beginning when the Kalapuya Indians lived in the Salem area. The movie went on to when Jason Lee and the missionaries arrived and then ended telling how Thomas Kay came to this area from England and started the woolen mill. After the movie we went on the tour. And what an interesting tour it was. Our guide had many stories of working conditions in the mill, the child laborers, etc., and we saw the machinery and equipment used to process the wool from the time it is sheared off the sheep until it ended up as a bolt of material. It really was quite a process back in those days. I could not believe the working conditions in the mill in the 1890's and early 1900's. Of course, there was no OSHA back in those days. After the tour we had time to look at the exhibits on display in the

center. The group seemed to enjoy the trip and a lot of comments were made about the tour and how interesting and informative it was.

MARCH TRIP

On Wednesday, March 25th we will be going to the Grand Ronde area. We will start with lunch at Fort Hill Restaurant. After lunch we will go to the Chachalu Museum which just opened in June of 2014. It is maintained by the Confederated Tribes of the Grand Ronde Community. Chachalu translates to "place of burnt timbers." The land was once devastated by fire but now has an abundance of forests and wildlife. After visiting the museum we will go to the Veterans Memorial which is just down the road. We visited the memorial last year but there may be people who haven't taken the time to visit it. I thought it was a beautiful tribute to servicemen and women from this area. As always the bus fee will be \$5. The bus will leave the church parking lot at 11:00 a.m. Lunch will be on your own.

I understand there is no fee at the museum but they do accept donations. So mark your calendar for March 25th and join us for lunch and a visit to the museum and memorial. It should be an educational day - and even though we are seniors, we can still learn new things.

ST. PATRICKS DAY

SOUP & PIE

We will be holding our annual St. Patrick's Day fund raiser on the 20th of March. We will be serving our famous Clam Chowder, Split Pea and Ham, and Taco Soups. Also on the menu will be a large assortment of home made pies. We are asking for our members to donate their favorite pie. There is a sign up sheet on the bulletin board at the center. We appreciate your help in making this a great fund raiser.

The money raised will be used in our general operating budget for this year.

The hours are 11.00 a.m. to 2.00 p.m. The price will still be \$5.00. If you have any questions call Blanche Pryor, 623-8289, or June Krause, 623- 5900, or the office at the center at 623-8554. We look forward to seeing you there.

BINGO

We had a wonderful crowd at our last bingo session. The more people the bigger the wins, so come join us on the 1st and 3rd Friday evenings of the month. Check your calendars. The progressive pot is over \$200.00 now. Cards are still 6 for \$5.00 or \$1.00 a card. Hope to see you there; it's great fun.

Monday Movie

The movie this month is "*The Quiet Man*." *The Quiet Man* is a 1952 American romantic comedy-drama film directed by John Ford. It stars John Wayne, Maureen O'Hara and Barry Fitzgerald.

It is based on a 1933 *Saturday Evening Post* short story by Maurice Walsh entitled *The Green Rushes*. The film is notable for Winton Hoch's lush photography of the Irish countryside and a long, climactic, semi-comic fist fight.

The film won the Academy Award for Best Director for John Ford, his fourth, and for Best Cinematography. In 2013 the film was selected for preservation in the United States National Film Registry by the Library of Congress as being "culturally, historically, or aesthetically significant."
