## EMERGENCY PREPAREDNESS

City staff responsible for emergency management planning reminds you of the importance of readiness: preparing yourself—and especially your family—for emergencies or disasters which might strike. Make it a priority to talk with family members about what might occur, develop a plan and try to assemble an emergency supplies kit well in advance of an emergency. Be sure to include enough supplies for each household member and pet for several days. Plan where you would go and how you would communicate if you and your family were separated during an emergency. Ask about emergency plans for school, work, church or other places you frequent often.

Disasters of significant magnitude can overwhelm existing emergency services personnel to the point that community members may be responsible for helping themselves and their neighbors. Realistic discussions and building a basic kit to take care of you and your family for three to five days will greatly enhance your survival and recovery should a disaster impact our community.

Both the Federal Emergency Management Agency (FEMA) and the American Red Cross have a variety of resource information available, much of it readily accessible through their respective websites.

Information regarding preparedness can be located on FEMA's website at: <http://www.fema.gov/plan-prepare-mitigate>;

as well as on the American Red Cross website at: <http://www.redcross.org/prepare/location/home-family>.

Additionally, the American Red Cross has mobile applications available to help you better prepare. More details are available online at: <http://www.redcross.org/prepare/mobile-apps>

**FIREMED OPEN ENROLLMENT SEPT. 1 — DALLAS 5K & 10K**

Being a Dallas FireMed member provides peace of mind if a medical emergency comes your way. In your time of need, our skilled emergency medical technicians, using the latest equipment and technology, will provide you with excellent medical care and ambulance transportation to the closest appropriate hospital AND as a FireMed member, if you NEED an ambulance because of your condition, you will NOT have to pay for it!

FireMed membership includes you and your family members living in the same household for one low fee. Most likely your insurance deductible or out-of-pocket expense for an ambulance is more than the cost of membership. Better yet, the FireMed fee covers each ambulance use for the entire year!

You also receive the extra benefit of being covered throughout most of Oregon when you are traveling. If you need an ambulance outside of the Dallas area, there is a good chance the ambulance provider will honor your Dallas FireMed membership and you are still covered!

Membership fees help support the Emergency Medical Service provided by the City of Dallas. We want to continue to provide the latest in technology and medical care for our citizens and surrounding community. Your FireMed membership helps us to do just that.

**An average cost of an ambulance trip to Salem would be \$1288!**

"Any book that helps a child to form a habit of reading, to make reading one of his deep and continuing needs, is good for him."

- Maya Angelou

THANK YOU FRIENDS OF THE LIBRARY

The Dallas Public Library staff is grateful to the Friends of the Library for their support of our library and community. Throughout the year, the library accepts "tax deductible" donations of used books, DVDs, CDs, and audiobooks on behalf of the Friends of the Library. The staff then evaluates donations for possible addition to our library collection. Many current publications, research items, popular materials, and replacements for worn items are cataloged and added. During the past fiscal year, the library added or replaced 2,057 items for an in-kind value of \$33,443.00. The other numerous donations are sorted, boxed, and stored for the book sale, held annually during Summerfest. This year, the Friends of the Library sale raised \$2,122.80. Some of the programs and items funded by the Friends of the Library in 2012/2013 include:

- Sign holder & easels
• Shelving
• Art display system
• Remodeling costs for the multi-use room
• Audiobook cases
• Posters
• Cultural Passes
• Program: 100 Years of the Dallas Library & Carnegie Building
• Program: National Library Week
• Volunteer Recognition
• Summer Reading Programs (Children, Teens & Adult)
• Books: Summer Reading Cart & Volunteer Recognition
