The application shall include the location and description of the camper, motor home, or travel trailer, the character and duration of occupancy, the character of water and sanitary facilities available, and any other information which the city manager considers necessary to carry out the purpose of sections 6.600 to 6.615.
- (2) If the city manager determines that the issuance of a permit will not contravene the purpose of sections 6.600 to 6.615 or of any applicable code provision, the manager may issue a permit authorizing the applicant to park or place and occupy the described camper, motor home, or travel trailer, and may attach conditions necessary to carry out the purpose of sections 6.600 to 6.615.
