# WALKING CLUB

## **Luckiamute State Nature Hike**

**Saturday, August 27, 2016 @ 9:00 am**

**Meeting at corner of SE Court & Jefferson Streets**

**4 mile hike**

I hiked the trail and took my dog:

It took about 2 hours and was

3.95 miles. The hike was easy,

partial shade and sun.

Most of the trail is a hard  
packed dirt vehicle lane.

The route takes you to the  
Willamette River. Great

place to watch birds, get

your toes wet, use the

port-a-potty and have a

snack. Then you hike back

out to the parking lot.

We should be out and back by 1pm

depending on how fast we walk, rest and talk.
