### **City Introduces Short Term Rental Set-Up Guide**

DALLAS, OR – The City of Dallas’s Economic and Community Development Department has recently added a new guide to their list of business resources. The Short Term Rental set-up guide is an easy to understand and all-encompassing resource for Dallas homeowners who are interested in setting up a Short Term Rental property in the Dallas City Limits.

Each set-up guide contains:

- A one-sided, easy to read guide to help walk short term rental owners through the process
- A copy of the Conditional Use Permit needed for each property
- A copy of the Transient Lodging Tax Registration form that each short term rental must complete so that the proper taxes can be collected

Guides can be downloaded at: <https://bit.ly/DallasSTRGuide> and scroll to the bottom of the page.

Questions related to the guide and application process can be directed to the Dallas Planning Department at [planning@dallasor.gov](mailto:planning@dallasor.gov), or by calling 503-831-3571
