Category of Construction: Two Family Dwelling

Type of Work: Addition

Work Description: Enclose an existing porch and turn into an office (10X14) and then build a new porch (5X14) on back of new office. The office location is an existing covered porch. All structural elements are there and this project only involves enclosing the space. Also, talked with Chris Reichelt at beginning of design and have ensured that we have required insulation values on drawings.
