City of Dallas Police Department Ride-Along Program Release and Hold Harmless Agreement

In consideration of being permitted to ride in a vehicle owned and operated by the City of Dallas, for the express purpose of observing operations and facilities of the Police Department, I, the undersigned, agree to release and hold harmless the City, its agents, employees, and elected officials from any and all claims, liabilities, demands, damages and actions, of whatever form or nature, for personal injury or death or any property damage, whether proximate or remote, sustained during or as a result of my ride as an observer, including costs and attorney fees incurred in defense thereof.

I understand that I will be a guest passenger in the vehicle in which I ride and I have not offered any payment to the City, the Police Department, or its employees for the opportunity to ride. I further understand that I may be summoned as a witness in any proceeding as a result of my observations.

At all times, I agree to obey all orders, instructions and commands of the host officer and other members of the Police Department. I further agree to keep confidential everything which I may observe or hear, except that which my host officer tells me I do not have to keep confidential. I understand that my observation ride may be terminated at any time without notice.

I authorize the Dallas Police Department to conduct a complete records check of me prior to riding and understand that any information of an adverse nature, including a poor driving record, may disqualify me. In addition, I authorize the Dallas Police Department to post and share pictures on the department social media sites which may contain images of the participating members during the ride along.

I fully realize the dangerous nature of law enforcement and the possibility that I may be physically harmed or injured, and I am willing to accept this risk, including the risk of injury or death in a traffic accident. I will wear a CITIZEN OBSERVER identification badge while participating in the Ride-Along program. I freely and voluntarily sign this Release and Hold Harmless Agreement in sole reliance of my own independent judgment.

City of Dallas Police Department Ride-Along Program

The Ride-Along Program has guidelines for your protection. Deviation from these guidelines without the expressed consent of the host officer is grounds to immediately terminate the ride, anywhere and anytime. You should bring cash with you to pay for a taxi back to the police department or to home in case you are dismissed from a ride or the department otherwise cannot provide for your return.

Rules of Conduct:

1. All information and observations you acquire during the ride-along shall be considered strictly confidential unless otherwise stated by the host officer.
2. Any action you witness during the ride-along may require a court appearance at a later date.
3. You shall not:
 - a) carry any weapon unless authorized and approved by the on-duty patrol supervisor,
 - b) operate the patrol vehicle or any other equipment unless specifically directed to by the host officer or an emergency dictates you should,
 - c) act as an agent for the Dallas Police Department or otherwise perform any department-related duty,
 - d) approach any vehicle on a traffic stop or approach any location or incident where the potential for violence exists or a crime is in progress, or
 - e) enter any crime scene without the authorization of the host officer or touch, possess, tamper with, or otherwise have contact with any evidence.

Safety:

Your safety is important, so the host officer will weigh incidents for potential hazards to your safety; however, the officer cannot be preoccupied with you, so the officer cannot and will not assume responsibility for your safety. You are responsible to ensure your safety and to make decisions accordingly.

In cases of imminent danger (e.g., person with gun), you shall remain in the patrol vehicle and not become a distraction; however, you may request to be let out of the patrol vehicle a safe distance away from the incident.

Clothing:

You shall wear appropriate attire. Inappropriate attire and/or grooming are unacceptable and you will not be allowed to ride, even if all other requirements have been met. You should be neat and clean, wearing conservative clothing, including a collared shirt for men. Examples of inappropriate clothing include short skirts, torn or dirty pants, shorts, sandals, halter, low cut tops, and t-shirts
